1) 2) The G.O. d 9 Feb 53 does not refer
to exemption from passing or presenting tests. It only
presents a test necessary for officials who hold B.O.

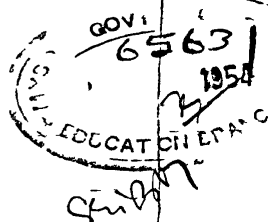

and it is stated that in the E.O. B.O. refers to
exemption to B.O. B.O. may be consulted

From the information furnished
it is seen that all the three officials were
more than 42 years of age on 15-8-1951 and
so they may be granted exemption from passing
the departmental tests, as per for earning increment
in their present grade, as per G.O. NO E 8523-123/

. FAD:-

Correspondence ending with letter No. F2.C.751/52-53 dated 17th July 1953 from the Chairman, City Improvement Trust Board, Mysore, forwarding for sanction an estimate for Rs. 6,000/- for the formation of a layout of sites in the area to the south of Perunapura Model Houses in Mysore City.

- - - - -
ORDER NO.L. 9188-92 / 1973 9-52-96

Dated, Bangalore, the 27th Oct-53

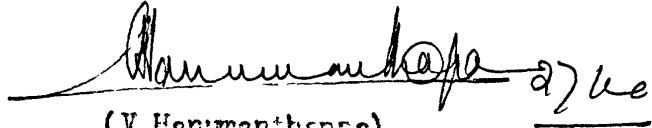

The Chairman, City Improvement Trust Board, Mysore, reports as follows:-

The area where the layout is proposed to be formed is in survey number 50 (with an extent of 194 acres and 29 guntas) of Frangere Village, Kasaba Hobli, Mysore, and is owned by the Trust Board as shown in the Record of Rights Register relating to this survey number. The total extent proposed to be utilised for the formation of the layout is 7,544 square yards, of which the net site area covers 7,500 sq. yds. 17 sites will be formed according to the plan, including two sites bearing Nos. 28 and 29 which are already built upon by two cement concrete hollow brick model houses. The cost of forming the layout (including the amount required for underground sewer lines and water supply lines) is estimated at Rs. 6,000/- which has been scrutinised by the Superintending Engineer, Cauvery Circle, and found to be in order. A sum of Rs. 7,800/- will be realised from sale of sites at Rs. 5/- per square yard. No site will be sold individually, but model houses will first be constructed and they will be sold including the cost of site. The cost of the work will be met out of the provision made under "Extension Funds" and recouped as and when the sites are sold along with the model houses to be constructed.

In these circumstances, sanction is accorded to the estimate for Rs. 6,000/- for the work in question, with the direction that conversion fee at the rate of Rs. 1,000/- per acre must be paid to Government in

in respect of the area utilized for the formation of the layout. The extra cost involved on account of this payment may be added on to the estimated cost and the rest of sites revised suitably.
